Following the announcement on July 16, 2008 that the Issuer's board of directors (the "Board") approved a definitive merger agreement whereby the Issuer is to acquire all of the outstanding shares of Alpha Natural Resources, Inc. (the "Proposed Transaction"), the Reporting Persons determined to file this Schedule 13D to reserve the right to be in contact with members of the Issuer's management, members of the Board, shareholders and other relevant parties regarding the Proposed Transaction and alternatives that the Issuer could employ to maximize shareholder value. Based on their evaluation of the Proposed Transaction to date, the Reporting Persons believe that the Proposed Transaction is not in the best interest of shareholders. As a result, the Reporting Persons may take positions with respect to potential changes in the operations, management, Board composition, ownership, capital structure, strategy and future plans of the Issuer as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein.

Except as described in this Item 4 and in Item 6 herein, the Reporting Persons have no present plans or proposals that relate to or would result in any of the actions required to be reported herein. However, each Reporting Person expects to evaluate on an ongoing basis the Issuer's financial condition and prospects and its interest in, and intentions with respect to, the Issuer. Accordingly, each Reporting Person reserves the right to change its intentions and develop plans or proposals at any time, as it deems appropriate. In particular, each Reporting Person may at any time and from time to time, in privately negotiated transactions or otherwise, acquire additional securities of the Issuer, including additional Shares; dispose of all or a portion of the securities of the Issuer, including the Shares, that the Reporting Persons now own or may hereafter acquire; and/or enter into derivative transactions with institutional counterparties with respect to the Issuer's securities. In addition, the Reporting Persons may engage in discussions with management, members of the Board, shareholders and other relevant parties concerning the operations, management, Board composition, ownership, capital structure, strategy and future plans of the Issuer, including the Proposed Transaction.
